Travelling to AUB

By Rail

Bournemouth Train Station is served by a fast inter-city rail link from London Waterloo. There are also regular trains from Poole, Southampton and other major cities. The Wallisdown Campus is about 1.5 miles from the train station and a 5-10 minute journey by taxi.

By Bus or Coach

Bournemouth is well connected by [coach](#). It takes about 2.5 hours to get here from London. The Bournemouth Train/Coach Station (known as the Travel Interchange) is next to the railway station.

The Morebus [number 17](#), or Yellow Buses [number 6](#) and [number 36](#) will take you from Bournemouth Train/Coach Station (Travel Interchange) to the University campus. The journey will last around 10–15 minutes.

The Unibus [U1](#) will take you to campus from Holdenhurst Road.

By Taxi

A taxi takes about 5-10 minutes from Bournemouth train/coach station.

Local taxi companies include:

PRC Streamline: 01202 373737

United Taxis: 01202 779999

The campus has limited space for parking and we would recommend public transport where possible. We can provide parking for any with disabilities or in extreme circumstances.
